

Stephen & Beth Puricelli

Sonlight Ministries Update

MAY 2011

PORT – DE – PAIX, HAITI

Prayer Requests:

- * Pray for Lindsay and her continued recovery.
- * We will be traveling back to the US on May 28th to return for the summer.
- * Pray for our students over the summer and the choices they make.

BreakOut 2011

When Stephen first suggested that he wanted to take over the leadership of BreakOut, a conference for Sonlight students during Easter Break, I was thinking about how great it would be for our students. The STUDENTS would get to hear from different speakers, teachers and worship leaders. The

STUDENTS would play fun games and listen to fun skits. The STUDENTS would be invigorated and encouraged in their walk with Christ. In the end I was correct, but I failed to recognize how much it helped ME to hear from new speakers (and especially in English), to have fun watching our students play silly games and to refocus my time here in Haiti before our summer break.

We could not have asked for a better team of pastors to come to Haiti and lead this conference. A special thanks goes to James Hauser and John Hamilton of Southeast Christian Church in Louisville, KY and David Jarrett and Casey Elmore of First Christian Church in Salem, IL.

Lindsay's Surgery was a Success!

Lindsay, a 7th grade student at Sonlight is now home and is recovering from her surgery that took place on May 5. The doctor removed a toxic goiter and she was diagnosed with Grave's Disease. She will be tested in four weeks for her thyroid levels to determine what level of medication she will need to take. The doctor gave her a year's supply of thyroid medication which is a huge blessing. Throughout the entire process she has only asked me for two things: 1. Homework and 2. To see her friends. I will be taking a group of her 7th grade classmates to visit her in her home this coming week. We thank you very much for your prayers. Please remember Lindsay in your prayers during her recovery process.
